November 2019

District-Wide News

My apologies for missing the September and October Newsletters! Other ways we post information are:

1. <http://www.ccvschools.com/>
2. On Facebook - CCV Community Corner
3. Mass emails (and calls) from the CC-V School District. Please contact Wanda at Cresson or Rhonda at the Jr/Sr High if your phone number or email address has changed or if you are unsure we have them in the system.

All of these should allow you to get information on what is going on in the district. If you have suggestions on how to better disseminate information, please let me know - jbowman@ccvschools.com. Thank you!!!

Warm Winter Wear Drive

As the cold winter months are upon us, we recognize the need for warm winter wear. CC-V Schools are very excited to announce our partnership with Douglas County's Clear Sky Elementary School and Douglas County Eagles Club, who adopted our school to bring a WARM WINTER WEAR DRIVE to Cripple Creek-Victor School District. The drive will provide winter gear to any family needing coats, hats, mittens, scarves, clothing, boots, snow pants, or food.

We have begun collecting donations from our partners in Douglas County, and are also asking for local donations from the Cripple Creek-Victor community through January 1st, 2020. Currently, this initiative is growing with donations coming from as far as Utah and Alaska! If you would like to donate to this effort, please bring your donations to Cresson Elementary School front office. We are asking for gently used or new winter wear, or monetary donations which will be used to purchase winter wear. We are expecting a large amount of donations to begin this week, as many have already come in. We are in the process of locating a space to pair these donations with our school's food bank to create a resource room for any family to access as needed. As of November 7th, we have received an extraordinary amount of donations and thanks to all those who have donated both clothing and their time to help sort and organize clothing!!!

If you or someone you know are in need of winter wear or food, please contact any of the following staff, or let your child's teacher know:

Cresson Elementary- Crystal Petersen, Kellie McDonald, Heather Jones, Mandy McCreary

Junior-Senior High School- Matthew Baca, Cheryl Birch

Thank you for your involvement in these efforts during these cold winter months!

Reminder about student absences

Please remember that if your child is going to be absent, you MUST contact the school in order for it to be marked as excused. You may contact your child's teacher, or better yet, contact:

At Cresson - Wanda Spoerl: 719-689-9230
OR Jennifer Bowman: 719-689-2102

At Jr/Sr High - Rhonda McGee - 719-689-2685
OR Jennica Gaza - 719-689-1303

You must contact the school for each day your child will be absent, unless you know ahead of time of multiple days the child will be absent. DO NOT rely on a doctor or clinic to call in an absence. If you are in a co-parenting/caregiving situation, it is important that both caregivers are on the same page and are required to call in a student's absence.

If you do not call, your child will be marked as unexcused. Per Colorado Law, a child that has more than 4 unexcused absences in a month, or 10 unexcused absences in a school year are considered TRUANT. This can lead to Truancy Court and potential legal ramifications. Prior to being referred to our attorneys for Truancy proceedings, the school will work with families on an attendance plan and discuss and try to rectify or assist in any hindrances to getting your child to school.

If you have concerns, please contact the numbers above or stop by the school so we may help address them. Thank you for your attention to this important manner.
