

Medicaid Health Care Coordinator Services for Teller County

Hello, I'm Katelynn!

I am a Medicaid Health Care Coordinator contracted with Colorado Community Health Alliance, housed at our local Community of Caring/Aspen Mine Center West in Cripple Creek, Colorado. I coordinate care and services for Medicaid members with Health First Colorado (Colorado's Medicaid Program) and CHP+ (Child Health Plan *Plus*). I work together with you, your primary care provider, and other local organizations in Teller County to provide a health plan and options for our Teller County residents. Let me help you and your family connect to providers and understand your Medicaid benefits and coverage.

How can I help you as a Health First Colorado Medicaid Member in Teller county? I can help you with these topics and more!

Medicaid Health Care
Coordinator for Teller
County

Aspen Mine

- Apply for Health First Colorado Medicaid and CHP+ programs.
- I can help you understand your Health First Colorado benefits and coverage.
- Find a local primary care provider, connect to behavioral health services, Dentists, Vision and all services covered by Health First Colorado's Medicaid.
- I can help you connect to local Resources.
- I can help you coordinate appointments.
- Connect with transportation resources to reach appointments.
- How about Mileage Reimbursement? Are you a Colorado Health First Medicaid member driving to appointments with these crazy gas prices? Let me know!
- as well as Chronic Disease Care Coordination and support within Colorado Community Health Alliance.

A healthy proactive life is just an appointment or call away; let's work together to rise over barriers keeping you away from the healthcare you need.
